TWO NEW WAYS TO SEW UP THE CHAMPIONSHIP.

Hand-stitched synthetic leather game balls from AMF Voit.

The Game Ball is unquestionably AMF Voit's finest synthetic leather soccerball. With a special hand-stitched cover that stays soft, even in cold and wet weather. Plus waterproof construction that won't quit on the wettest fields. In fact, we back its long-term performance with a one-year guarantee designed to take some of the strain off your athletic budget.

And the playability is as impressive as the durability. In actual field tests, coaches and players alike have told us this is one outstanding ball. It has the soft touch that every serious player wants. With unique construction for precision kicking, heading and control. What's more, each ball is 100% air-balanced for peak performance and true flight.

Two models are available now. CS3000 carries FIFA approval for use under all field conditions. CS3000N is the unanimous choice of NAIA coaches as their official game ball for 1984/5. Both are official No. 5 size and weight. Colors are black and white, in the world-favorite 32-panel design. Also available in size 4 as CS6000.

These new Game Balls join an extensive AMF Voit soccer-ball line including exclusive game balls for Major Indoor Soccer League (MISL) and American Soccer League (ASL). For details, contact your local Voit Sporting Goods Store.

WELCOME

LeTourneau College is proud to have been selected as the host for the NCCAA National Soccer Tournament. We have a long tradition of attention to the development of new and exciting activities and programs in the educational field. Soccer is a rapidly developing sport that is worthy of a special kind of attention in today's athletic spectrum. And we are pleased to be a part of it.

We hope you will enjoy your stay here in East Texas and Longview. And we particularly want you to enjoy your relationship with the LeTourneau College staff, faculty, and student body. We are committed to the Christian ideals and base on which our nation was founded, and would like nothing better than for you to know the Christ we serve as well.

Have a good time while you are here and let us know if we can help in anyway.

Welcome Ladies and Gentlemen to the 12th Annual NCCAA Division I National Soccer Tournament.

We have had some exciting tournaments through the years and I fully believe this one will continue that tradition. For the first time both the reigning National Champion, John Brown University, and the runner-up, Tennessee Temple University, are returning to National play. This will just add to the excitement already present.

The NCCAA is growing. There are some teams here that have never been here before. The NCCAA is also developing. We now have National Championships in soccer, cross-country (men and women; division I and II), women's volleyball, wrestling, basketball (men and women; division I and II), and track and field (men and women).

The NCCAA is the place for Christian colleges.

NCCAA: Game Plan Succeeding

Some athletes will be winners throughout most of their sports careers experiencing the fame and popularity which follows an impressive sports record. Yet, when their last game has been played, and their uniforms hung up for the final time, some of those same athletes will wind up on the losing side.

It all rests on the game plan. So you need to develop a plan that produces true winners. It must work both before and after graduation. In 1966, we devised that game plan -- the NCCAA. Designed to stimulate the athlete's strongest potential: body, mind, and spirit.

And the game plan is catching on, virtually all across the United States. Since the first national soccer tournament (1973), in which 4 colleges competed, the National Christian College Athletic Association has grown to nearly 100 Christian liberal arts and Bible colleges. Participating schools are dedicated not only to the best athletic competition possible, but also to exemplifying Jesus Christ in everything they do.

We believe:

Athletics are a means to an end and not an end in themselves. That the process is as important as the performance. That the athlete is more important than the program.

Athletics in a Christian liberal arts or Bible College is a unique experience in which Christian men and women are prepared for a life of meaningful work and service. The athletic experience provides an at-

mosphere of dynamic growth for learning leadership, team work, discipline, and mutual respect. In addition, the athlete realizes his preparation for life is more important to the coaches and athletic administration than won-lost records and championships.

For the athlete desiring to be part of a team that competes on district, regional, and national levels while realizing the importance of having an education within a Biblical perspective, the NCCAA is the right game plan.

For the coach wanting to work with a team worthy of top athletic competition, yet also aspiring for his players to represent Jesus Christ, the NCCAA is the right game plan.

For the spectator who is seeking a game that draws enthusiastic response, but likes to know the participants are living beyond the score of the game, the NCCAA has the right game plan.

The NCCAA. An organization that brings Christian colleges together to share common goals, values, and perspectives, not just for athletic competition.

The NCCAA is growing. We anticipate over 300 colleges to become part of our team in the near future. Our goal is to establish a national headquarters and a full-time staff. Besides soccer there are currently tournaments to determine NCCAA National Champions in basketball, cross-country, track and field, volleyball, and wrestling. We hope you will want to find out more about the NCCAA.

Denomination: Baptist

Founded: 1946

On July 3rd, 1946, Highland Park Baptist Church of Chattanooga, TN, voted to sponsor the organization of a Junior College and Bible School. Church buildings were opened for the new college. From the outset the founders stated the school would be evangelistic, missionary, and premillennial. Temple would be a Baptist school in belief and practice.

Less than 2 years later, January 1948, the seminary division began for students wishing to continue their studies beyond the junior college level. Then an undergraduate division of the college was opened in September, 1950.

In 1975 a Graduate program was offered with a degree in Christian education. Temple received University status in September, 1979.

"Having finished second last year, this season our goal was to have a chance to win it all," exclaimed an excited Terry Taggart, head coach for the Crusaders of Tennessee Temple.

And in a position they are! Temple enters tournament play boasting a 15-3 record, tops in the field. Included in those wins are 6 games during the month of October in addition to the 2 playoff wins necessary to bring them here.

In the District V playoffs Temple faced arch rival, and three time national champion, Bryan College. It took the Crusaders 13 minutes to score 2 goals and a rout seemed to be on. Then Bryan senior Tim Greene put home a free kick to close the game up to 2-1. But Tennessee kept up the pressure until mid-

fielder Scott Arrowood was able to ease the pressure with his 8th goal of the season. Temple scored two more times to win 5-1.

Coach Taggart, in his 9th year, commended sophomore Tim Cook for his fine midfield play passing off for 3 assists.

Southern regionals would not be as easy. Palm Beach Atlantic College put up a stiff fight and the Crusaders offense was scoreless until the 40:00 mark when Chris Castle pounced on to the rebound from a shot by Frank Castelvevchi. There was no more scoring until Castelvevchi, TTU's scoring leader, tapped in his 16th goal of the year.

"Frank is having another outstanding year," praised Taggart, "he is already #6 in scoring in the history of Tennessee Temple with

89 points."

Others who have made big contributions up front are Rob Brinkmeier (13 goals, 9 assists) and Jeff Nolen (10 goals, 8 assists). Taggart went on "We have not had just one goal scorer, we are very balanced."

Taggart is also blessed with 2 fine keepers, Randy Douglass and Mike Cash.

Douglass replaced last year's regular, Cash, and has recorded 57 saves and has 7 shutouts. His .889 goals against average is 3rd in the NCCAA. Who is #1 -- Cash at .800.

"Now we are ready to go against John Brown, or anyone," concluded Taggart.

NATIONAL
SOCCER CHAMPIONS

1983

John Brown University was founded by a renowned Ame-

rican evangelist John E. Brown, Sr., in 1919. Dr. Brown founded the University with the belief that higher education should include highly developed career skills, traditional head knowledge, and spiritual maturity.

This focus on the whole person established by Dr. Brown is still the core of the educational philosophy at JBU.

Since the early days JBU has grown to more than 800 students representing over 40 states and 12 foreign countries. This adds to the diversity of JBU campus life enjoyed by the students.

There were times during his 5th year at John Brown University that Head Coach Bob Gustavson wondered if he would be able to dress out a full squad. "We never had more than 15 players and sometimes only 12 were fit enough to dress," Gustavson explained.

Gone after just one week of practice was 1983 National All-Tournament Team goalie Henry Abner with a broken thumb. Later it was midfielder Jim Barnes victim of a knee injury. Both are out for the year.

Yet the defending National champions were able to rebound from a 1-4-2 start to set a team record with 6 consecutive triumphs before losing 6-1 in the final regular season match against rival Bethany Nazarene College.

Gustavson said "We definitely put some things together in the second half of the year. A big turning point came against Missouri Southern." JBU entered

the match winless against the state school in addition to a mere 2 wins in 8 tries. "We won it 3-1 and there only score we put in our own goal so it gave us a real lift which carried over the rest of the year," continued Gustavson.

Their final victory came against Bartlesville Wesleyan College who forfeited the Southwestern Regional Championship match.

"We definitely feel fortunate to be here for the third time in 4 years," added Gustavson.

Strikers George Mond (9 goals, 6 assists), Glenroy Corbin (7 goals and 7 assists), also selected to the All-Tourney team, and Barry Moore key an attack which is averaging over 3 goals per game. They have been assisted by midfielders Jeff Barker (6 goals, 4 assists) and Paul Holland (2 goals, 7 assists).

In all 7 starters and 11 lettermen return from last year's championship squad

including the Tournament's Outstanding Defensive Player senior midfielder Lambert Joseph. "He does not score much but he is the most outstanding player I have ever coached," lauded Gustavson.

Another 1983 All-Tournament Team choice, sweeper Charles Cumberbatch, anchors a defense which prides itself on balance. Seniors Andy Brown and Kenny Pantophlet blanket the wings while juniors Joel Whiteman and Cumberbatch clog up the middle.

In goal senior Joe Rider has made 122 saves in filling in for Abner.

Gustavson finished up by commenting "I hope we can continue the successes of the Southwest region."

Grand Rapids Baptist College Comets

Location: Grand Rapids, Mi

Enrollment: 727

Colors: Navy Blue/Gold

Region: Midwest

President: Dr. Charles Wagner

Athletic Director: Roger Haun

Denomination: GARBC

Founded: 1941

In 1941 modern day Grand Rapids Baptist College had its humble beginnings as an evening Bible School known as the Baptist Bible Institute.

In 1949 the school gained collegiate recognition changing its name to the Baptist Bible Institute.

It was not until 1973 that the school evolved into Grand Rapids Baptist College with a full Liberal Arts program offered to students. In 1976 the school was accredited.

Dr. Charles Wagner has served as president for one year. He replaced Dr. W. Wilbert Welch who had faithfully served since 1963 as the president.

Ho hum, another year, another trip to the national tournament. This will be the Comets third consecutive National Tournament bid. They are also a notable 42-15-5 in those seasons.

At the helm is Dr. John Bratcher in his 4th season with Grand Rapids Baptist. His won-lost percentage is a phenomenal .713, 54-20-6.

"Although 5 starters and 10 lettermen returned from last season's squad everyone is playing new positions this year," explained Bratcher.

Sophomore striker Steve Adolph (16 goals, 18 assists) leads a potent attack outscoring opponents 61 to 28. Midfielder Tom Cooke contributed 8 goals and enabled teammates to score another 14 on their way to a 10-6-2 slate.

Bratcher singled out Assistant Coach Kevin Van-

denAkker for his hard work with the forwards developing their technique and perfecting tactics.

Defensively Grand Rapids relies on tight marking by all the players in a total team defensive effort. In goal Dan Cooke has played every minute of every game for the Comets. He has 106 saves and 7 shutouts to his credit.

Regional playoffs could be summed up in two words -- rain and mud. In their 1st round match Coach Bratcher's crew took on Trinity Christian College defeating them 7-3 behind 3 goals by Adolph. It took 6 minutes for Grand Rapids to jump ahead 2-0, Adolph scored both of them, but they could not put Trinity away. By halftime the lead was stretched to 4-0. Then, in the opening 10 minutes following halftime Trinity retaliated scoring twice.

But GRBC responded by outscoring them 3-1 the rest of the way to make it 7-3.

Next in line was Trinity College of Deerfield, Il. Despite the poor condition of the field Grand Rapids midfielder Cal Baumgarten scored only 1:30 into the match. Trinity hung tough holding the Comets at bay until they were able to knot the game at 3 minutes into the second half.

Bratcher's club pressed harder and junior midfielder Brett Lile headed home the game winner 8 minutes later sending the club to Texas.

Cedarville College Yellowjackets

Location: Cedarville, Oh
Enrollment: 1819

Colors: Blue/Gold

Region: Mideast

President: Dr. Paul Dixon

etic Director: Dr. Don Callan

Denomination: GARBC

Founded: 1887

In 1887 Cedarville College was founded by members of the Reformed Presbyterian Church. It was established by individuals who cared for the welfare of all young people.

In 1953, the operation of the college was transferred to the trustees of the Baptist Bible Institute of Cleveland. This was done to enlarge the Institute's ministry.

The college retained its name and continued to identify with the founders' original purpose. Reflected in the school motto -- "...for the Word of God and testimony of Jesus Christ."

Today Cedarville continues to emphasize the growth of the whole person.

An horrendous start of 2-6-1 had a traditionally proud Cedarville team reeling with the prospects of only their 6th losing season in 22 years. But, under experienced Head Coach John McGillivray's direction the Yellowjackets rebounded to win 6 of 7 including their third NCCAA District championship. Now they will enter the tournament with a 10-7-1 mark.

"It was very frustrating in the first half of the year not playing up to our potential, we decided to return to the basics," explained McGillivray.

Cedarville entered Regional play as the 2nd seed in the strong Mideast behind Grace College and ahead of Marion College. It did not take the Yellowjackets long to dispose of Marion College 10-3. Junior Noel Hack led the way

with a team high 5 assists while striker Tom Fite managed a hat-trick to give him 16 goals for the year. Senior Wayne Anderson added 2 goals in the triumph.

From here the Yellowjackets traveled to face favored Grace College. "It's exciting to go there and win. It appears as if we are starting to gel," said McGillivray beaming.

It was all Noel Hack as he scored both goals in a space of 1:30.

At 24:00 Hack got behind the Grace defense beating the keeper with a shot at the 18 yard line. His second goal, at 25:30, came when he tapped home a ball that was loose in front of the Grace goalmouth, his 12th goal of the year.

Defensively the key will be the ability of sweeper Curt Critcher and stopper Greg Norden to control the

middle of the field. Coach McGillivray has played two goalies all season and both have performed commendably. Freshman Dan Byrum has pushed senior Jan Schaedel, who now appears to have gained the edge on the virtue of his performance against Grace.

McGillivray finished by expressing "...we are just happy to make it this far and hope to represent the school well here."

LeTourneau College

Yellowjackets

Location: Longview, Tx

Enrollment: 904

Colors: Blue/Gold

Region: At-Large

President: Dr. Richard H. LeTourneau

Athletic Director: Steve Beacham

Denomination: Non-denominational

Founded: 1946

In 1946, famous Christian industrialist R.G. LeTourneau and his wife were flying over the area looking for a new manufacturing site when "Mom" LeTourneau spotted a vacated, sprawling army hospital.

Over 200 frame buildings occupied the 162-acre tract of land that became LeTourneau Technical Institute in 1946. In 1961 LeTourneau shed junior college status and became a 4-year, coeducational, 4-year, technical and liberal arts college.

Even today LeTourneau continues as a leader in the technical fields placing graduates all over the world.

Of all the teams coming only one knew 6 months ago where it would be November 22nd — LeTourneau's Yellowjackets. Even so Coach Steve Beacham feels confident about his team being in the tournament. "Maybe we didn't go through District playoffs but we have as much talent as anyone," defended Beacham.

Defended? He brings in a squad boasting the highest winning percentage (.722, 6-2-1) in LeTourneau history (behind only top seed Tennessee Temple).

Defended? A team allowing but 7 goals all year while notching 6 shutouts.

Defended? A team which has outpointed foes 108-17 including 40 goals scored.

"This is a team which on any given day can beat a lot of clubs," he added.

One game that stands out to Beacham was a 3-1 loss

to JBU at home. "We began very sluggishly and let in 2 quick goals," described the 6th year Coach "before we got ourselves together and played very well the rest of the way."

Sophomore Dave Busenitz, a striker, and Tad Huck, a freshman center halfback, combined for 15 Yellowjacket goals and 7 assists.

Busenitz, a native of W. Germany, and Huck, raised in Austin, Tx, will have help from Longview product Scott Fewell (5 goals and 1 assist) and fellow wingman Steve Shelpuk (3 goals and 3 assists).

Senior sweeperback Dave Drozd anchors an experienced defense. "David's been hurt a lot this year, including the crucial match with JBU, yet he has never missed a start," acclaimed Beacham. Flanked by senior Mark Engstrom on the left

and junior Dan Lam on his right with another senior, Dave Mann, at stopper the gutsy back is confident of LeTourneau's chances.

Benefitting from all of this defense is acrobatic goalkeeper Don Lawrence, a sophomore. His 0.78 goals/game age ranking him #2 amongst NCCAA goalkeepers.

Midfielders Mike Powers, a senior, and frosh Zaiyen Hwang, having recovered from his pulled hamstring, will support Huck in controlling midfield. They are backed by senior Mike Doherty and Brent Fewell.

Roberts Wesleyan College Raiders

Location: Rochester, NY

Enrollment: 680

Colors: Red/White

Region: East

President: Dr. William Crothers

Athletic Director: Ken Sisson

Denomination: Free Methodist

Founded: 1866

Evangelical Methodist minister Benjamin Titus Roberts, in 1866, started a seminary which would evolve into present day Roberts Wesleyan College. Originally known as Chili Seminary, in 1885 the school was renamed A. M. Chesbrough Seminary.

It was not until 1921 that junior college courses were offered and in 1945 the name was again changed this time to Roberts College.

Finally, in 1949 the school, for the last time, changed names to Roberts Wesleyan College when the New York State Board of Regents issued a charter to grant baccalaureate degrees.

Education in a liberal arts tradition and meeting the needs of the entire person are focal points to the college's philosophy.

With but 4 wins in the last 2 years Roberts Wesleyan Head Coach Mike Faro could not have even dreamed of coming to the National Tournament. "We are real excited to be playing in the Nationals especially after we started out at only 3-7," informed the 2nd year coach.

Wesleyan came on strong to lose only 2 games the rest of the year and post a 9-9 slate. Faro went on "To have only two seniors and accomplish this is very significant considering last season."

A big difference for the Raiders is the addition of freshman Chet Gapczynski. In this first campaign he led Roberts in scoring and assists, 7 and 5 respectively. "Chet has done it all for us -- he started as a halfback but when our defense was having trouble he willingly moved back to sweeper and keyed our late

season comeback," praised Coach Faro.

Besides Gapczynski, Faro expects strikers Wynston Hayes, sophomore, and Peter Mastrogiovanni, a junior, to put the Raiders on the board. Both can score, 5 goals each, while Hayes has 3 assists too.

They will receive ample support from junior midfielder Don DeVries, 5 goals and 1 assist, and striker Brett Austin, 1 goal and 3 assists.

In fact, it was Austin who scored the goal giving Roberts a 1-0 triumph over Nyack College in the East Regional. With 10 minutes remaining Austin split the Nyack defense and slipped the ball home past the on-rushing keeper sending the Raiders on to the Nationals.

Yet the game was costly for the Raiders. Fullback and team captain Jim Morton broke his foot in the

game and will not play in the tournament. Coach Faro will choose between junior Paul Huber and soph Barry Northrup to replace him.

Faro sighed "This really hurts us but with what the guys have already accomplished I think they can overcome it."

This places even greater pressure on Gapczynski but he will receive help from from stopper Scott Reber and 3 year keeper Manfred Schneider (5 shutouts).

"I am confident we will make a good showing," Faro closed.
